INTERNSHIP

Inov Technology

- Trained in Font end development, HTML, CSS 3, jQuery, PHP, SQL, Data structures & Algorithm.
- Executed Projects named Smart Gym Management System, Application with the help of Database and Front- End Technologies.

PROJECTS

Dynamic Geo Based Survey Document Retrieval

- **Technologies used** - Trained in Html, CSS, Data Base, Visual Studio .net2010 and above.

- This project, land survey is an android application using which users can view details of lands. It thus saves time, effort and reduces the litigation issues created by the land brokers or real estate people on the people who are purchasing it. This application can be used both by the Government as well as the buyers of the land.

ACHIEVEMENTS & PARTICIPATIONS

- Organized an cricket event called "Spin Cup" as a event coordinator in my college.
- Elected captain of "College Kabaddi Team".
- Participated in "Marathon" held in support of cancer patients.
- Donated blood in "Donation Camp" organized by NCC.
